SOFEL **invisibleup**

Cocona World English Translation by InvisibleUp
<https://invisibleup.com/projects/CoconaWorld>

Cocona is a magical princess who left Pineapple Star to visit SOFEL's Forest. However, she has a hard time being alone, and she has nobody to rely on here. Nevertheless, she will diligently study the arts of witchcraft.

Help her make dinner, go to bed, and don't forget that she wants a snack, too. You'll be lonely Cocona's caretaker, and over time you'll become her dearest friend.

Stuffed with stylish dreams

From Chappyland to Marshland, SOFEL's Forest is a magical place. Enjoy life together in the forest with Cocona.

St. Paul's Hill

This mysterious hill of divination houses a serene shrine to Saturn. You can get your fortune told here.

Cocona's House

This is where Cocona eats and sleeps. It's a safe haven from the hooligans.

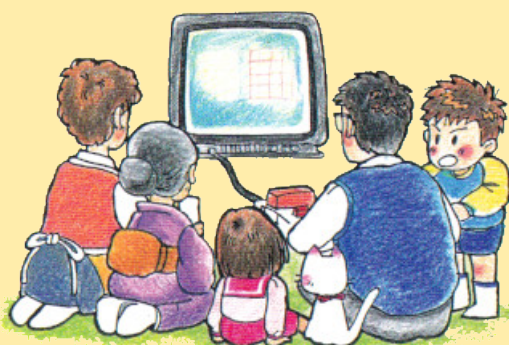

Meadow of Joy

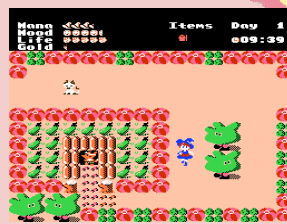

There's a very enjoyable Bingo game here. Your mom, your dad, your friends, everyone can enjoy Bingo here.

Game in Game

There are games presented within Cocona's game! Mama, papa, the whole family, everyone can enjoy themselves.

Vegetable Garden

Cocona is rather fond of salad. She can buy vegetables from the fox at the market here. However, eating too much is no good.

Horoscope

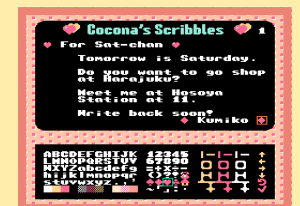

To get your fortune, enter your birthdate and select the one of the four celestial bodies: the Sun, the Moon, Venus, or Mercury. I wonder what kind of fortune you will get?

Bingo

Using the included Bingo cards, the whole family can enter the Bingo tournament. How about you throw a bingo party with your friends?

Notebook

Whether you want to leave a message for your friend, a secret request for your mom, or simply something private to yourself, this notebook can be entrusted with it all!

Cape Iris

A romantic white lighthouse on the coast. Go fishing, and say hello to the sea otters too.

Hot Tab Springs

Cocona's quite the stylish lady! She likes to take a bath at least once a day.

Magic Academy

It is important for Cocona to study her magic, but for some reason, standing in front of the blackboard makes her just want to doodle...

Ririmuu Ranch

A peaceful voice here calls out — "Moo!" The milk from this ranch is quite fresh.
